GRG to Acquire Earl Walls Associates

ORLANDO, Fla., June 6, 2005 – William C. Beckman, P.E., President and CEO, GRG Inc., and its Board of Directors today announced plans to acquire Earl Walls Associates (EWA).

"GRG is very excited about this growth opportunity," said Beckman. "This strategic initiative will enable us to serve our clients more effectively from coast to coast as well as provide advanced upward mobility for our staff through additional geographic markets and industries."

Under the terms of the agreement, GRG will purchase 100% of EWA stock, making them a wholly-owned subsidiary of GRG Inc. The parties expect to complete the stock purchase by July 1, 2005.

GRG Inc. is one of the strongest, most experienced MEP firms in the United States with a staff of 130 individuals, licensed in 30 states, with offices in Orlando, Fla., and Las Vegas, Nev. GRG specializes in the science, hospitality, entertainment, healthcare, gaming, condominium, and advanced technology market sectors. Services include mechanical, electrical, plumbing, fire protection, special building systems, commissioning, lab planning, owner representation and lighting design.

Located in San Diego, CA, Earl Walls Associates is an award-winning, nationally recognized laboratory planning and design firm with a staff of 35 architects and engineers. Since its founding in 1961, Earl Walls Associates has been honored 22 times by R&D magazine's "Laboratory of the Year" competition, the most coveted award in the science design industry. EWA is one of the leaders in the advancement of casework, fume hood and systems design for laboratory facilities. Many of the innovations developed by EWA, have formed the foundation for modern laboratory design.
