## **GRG Wins Engineers' Week Project of the Year Award**

ORLANDO, Fla., March 9, 2005 – GRG Inc. is pleased to announce it was recently awarded the 2005 Engineers' Week "Project of the Year Award" for its work on University of Central Florida's Rosen College of Hospitality Management. The annual award honors local engineering projects for their outstanding design in conjunction with the celebration of National Engineers Week. GRG's Walter V. Brennan, Jr., PE, was the recipient of the award for his role as Project Manager.

The Rosen College of Hospitality Management aims to provide students with an outstanding hospitality management educational experience by means of educational and research programs, promotion of a global perspective, nurturing inclusiveness and diversity, and partnership with local, national, and international hospitality and tourism constituencies.

GRG Inc. is one of the strongest, most experienced MEP firms in the United States with a staff of 130 individuals, licensed in 30 states, with offices in Orlando, Fla., Las Vegas and Reno, Nev. GRG specializes in the hospitality, entertainment, healthcare, science, condominium, and casino market sectors. Services include mechanical, electrical, plumbing, fire protection, special building systems, commissioning, owner representation, and lab planning.
