Lemonier Named Professional Engineer

ORLANDO, Fla., December 23, 2004 – GRG Inc. is pleased to announce that Brandon J. Lemonier, P.E., has obtained his Professional Engineer's License in the State of Florida. Mr. Lemonier is an Electrical Engineer at GRG Inc. His experience includes lighting design for unique projects as well as the design of power, telecommunication, audio and other sub-systems for entertainment facilities, including theme parks and water parks; hospitality projects, including hotels and restaurants; and educational facilities. In addition, Mr. Lemonier is a LEED™ Accredited Professional with a strong interest in the integration of lighting into the green environment.

GRG Inc. is one of the strongest, most experienced MEP firms in the United States with a staff of 130 individuals, licensed in 30 states, with offices in Orlando, FL, San Jose, CA, Las Vegas and Reno, NV. GRG specializes in the hospitality, entertainment, advanced technology, healthcare, science, condominium, and casino market sectors. Services include mechanical, electrical, plumbing, fire protection, special building systems, commissioning, owner representation, and lab planning.
