**Maffeo Named “Leadership in Energy and Environmental Design (LEED™) 2.1 Accredited Professional”**

ORLANDO, Fla., March 9, 2005 – GRG Inc. is pleased to announce Nicholas Maffeo, E.I.T., has recently been granted the title “Leadership in Energy and Environmental Design (LEED™) 2.1 Accredited Professional” by the U.S. Green Building Council (USGBC) for his achievement in fostering sustainable design and construction.

Mr. Maffeo is a Mechanical Designer at GRG Inc. His experience includes mechanical system design and selection for entertainment facilities, including theme parks and water parks; hospitality projects, including condominiums, hotels, resorts and restaurants; and casinos.

GRG Inc. is one of the strongest, most experienced MEP firms in the United States with a staff of 130 individuals, licensed in 30 states, with offices in Orlando, Fla., Las Vegas and Reno, Nev. GRG specializes in the hospitality, entertainment, healthcare, science, condominium, and casino market sectors. Services include mechanical, electrical, plumbing, fire protection, special building systems, commissioning, owner representation, and lab planning.
