Mirus Named Professional Engineer

ORLANDO, Fla., January 11, 2005 – GRG Inc. is pleased to announce that Brian A. Mirus, P.E., has obtained his Professional Engineer's License in the State of Florida. Mr. Mirus is a Mechanical Engineer at GRG Inc. His experience includes mechanical design for entertainment and hospitality projects, including theme parks, hotels, and restaurants both in the United States and in the Caribbean. He has also been involved with MEP master planning for resorts and chilled water studies for theme parks and university campuses.

GRG Inc. is one of the strongest, most experienced MEP firms in the United States with a staff of 130 individuals, licensed in 30 states, with offices in Orlando, FL, San Jose, CA, Las Vegas and Reno, NV. GRG specializes in the hospitality, entertainment, advanced technology, healthcare, science, condominium, and casino market sectors. Services include mechanical, electrical, plumbing, fire protection, special building systems, commissioning, owner representation, and lab planning.
