**DATE:** July 30, 2004

**RE:** 2004 ASHRAE Student Design Project Competition

---

*Congratulations!* It is indeed a pleasure to inform you that your entry in ASHRAE's 2004 Student Design Project Competition HVAC System Selection Category has been selected the **first place winner**.

On behalf of the Society and the HVAC&R industry, I want to thank you for your interest and the extra effort required for your participation in this competition. I hope that the experience gained through completing your project will be a stepping stone to your continued success.

Your award includes \$1500 plus a trip for one team representative to ASHRAE's Winter Meeting in Orlando, Florida in February 2005. The award will be presented during the meeting's Plenary Session on the afternoon of February 5. The representative is encouraged to participate in a poster session Sunday, February 6 at the Student Breakfast. Please notify Ashley Pruett, Manager of Student Activities at ASHRAE Headquarters, as to who will represent your team at the Orlando Meeting and whether or not that individual will participate in the poster session. **Ashley needs this information by August 23, 2005, in order to make your travel arrangements. Further details about the meeting will be sent to you in mid-September.**

Again, congratulations on your excellent work. I wish you continued success.
