## **Christman Named Director of Entertainment for GRG Inc.**

ORLANDO, Fla., November 10, 2005 – GRG Inc. is pleased to announce that Daniel P. Christman, P.E., has been named Director of Entertainment.

Mr. Christman is responsible for managing many of GRG's themed entertainment and hospitality projects. His electrical design experience includes lighting and power systems including uninterruptible power supply systems, emergency generating systems, animal life support systems (LSS), and power distribution for both medium and low voltage. Specific to the entertainment industry, Mr. Christman has provided electrical design and project management on every project GRG has done with the Busch Entertainment Corporation. Mr. Christman has also worked extensively on other theme parks, water parks, and zoos. He is also a LEED™ Accredited Professional. He is a graduate of The Pennsylvania State University with a degree in Electrical Engineering.

GRG Inc. is one of the largest building systems engineering firms in the United States with a staff of 150 individuals, licensed in 33 states, with offices in Orlando, Fla., Las Vegas, Nev., Milwaukee, Wis., and San Diego, Calif. GRG specializes in the hospitality, entertainment, healthcare, science, gaming, condominium, and advanced technology market sectors. Services include mechanical, electrical, plumbing, fire protection, special building systems, commissioning, lab planning, owner representation, program management, and lighting design.
